

Information on Intuitive Healing Group Sessions:

I uncover the core root causes behind any physical, mental, emotional, spiritual issues and blocks and clear them on the deepest soul levels. These can include karmic contracts, curses, physical pain, hidden emotions etc. Intuitive Healing in a group is limited to 3 people in a group. When I work with one individual, the whole group gets the healing. I also can incorporate manifestation through Source in these sessions if someone is looking to manifest something in particular. Anything that comes up intuitively is valid.

Intuitive Healing in a group contains 3 people and the price is \$82 per person for one 45 minute session. Private Sessions for Intuitive Healing are \$185 for one 45 minute session.
