

Private Intuitive Healing Sessions:

Malika uncovers the core root causes behind any physical, mental, emotional, and/or spiritual issues and clears them on the deepest levels. She heals these core issues/imprints through Source directly so that you can step into your Highest Source Alignment. These can include karmic contracts, dark energetic contracts, physical pain, hidden emotions etc. She focuses on what you need for your highest transformation.

Private Sessions for Intuitive Healing are \$175 for one 30 minute session.

Intuitive Healing Sessions can include but are not limited to:

1. Clearing of past life and ancestral imprints behind health concerns and other issues across a wide spectrum. These are removed on the core energetic levels in the deepest dimensions.
2. Clearing of karmic contracts that are ready to be cleared through Archangel Michael as well as binding spells, curses, karmic bonds etc.
3. Discovering core root causes of any situations or triggers in your life. This includes all areas of life such as relationships, health, finances, career etc.
4. Planting new seeds in your unconsciousness and clearing the path to manifest what you want.
5. Releasing any emotions, traumas, emotional imprints etc. across all timelines and dimensions including from your inner child.
6. Clearing timelines to shift old realities and create space for new ones.
7. Rewiring programs in your unconscious as well as ancestral programs in your DNA.
8. Clearing of dark energetic contracts, implants, hypnotic spells, black magic etc.
9. Addressing any galactic issues that need to be addressed such as galactic traumas and/or galactic lifetimes (lifetimes on other planetary systems/universes).
10. Downloading the soul lessons you need to learn for your own highest transformation.
